WORLD CHAMPIONSHIP SERIES

NATIONAL TEAMS COMPETITION at the WORLD CHAMPIONSHIP SERIES

Team Composition

> Besides the 8 regular players, each team can have as a maximum 2 reserve players (1 man and 1 woman) who will be able to rotate with regular team members.

However, note that no change of player will be allowed within 2 hours before each encounter. Therefore there cannot be more than 8 different players' names (6 men and 2 women) on the scoresheet.

> The minimum number of players allowed in a team is 5.

If there is no woman in the team, then the Women's Singles and the Women's Doubles matches will be forfeited and the team will automatically lose the points for these two matches.

Competition format

> The national teams competition is played with a system of direct elimination.

> When 2 national teams meet, they play 8 matches against each other: 4 in Singles followed by 4 in Doubles.

> A match consists in one 7-point game with a 2-point difference.

> In case both teams are still tied at the end of an encounter (4 matches won by each nation), an extra match will be played in Doubles, only by players who have not taken part in Singles.

Games will be played in the following order, 2 matches being played at the same time :

(see scoresheet)

> Singles 1 (S1) and Women's Singles (S2)

> Singles 3 (S3) and Singles 4 (S4)

> Doubles 1 (D1) and Women's Doubles (D2)

> Doubles 3 (D3) and Doubles 4 (D4)

For the draw, 4 nations will be designed as top-seeds:

> the host country

> the 3 best nations of the ITSF ranking.

The National Teams Competition will unfold according to the following :

The draw will take place on the Thursday.
The competition itself will take place on the Friday, after the opening ceremony, with direct elimination matches up to the final.
